<b>Glencoe French 2</b> -Conrad J. Schmitt 1998
<b>Bon Voyage!, Level 1</b> -Conrad J. Schmitt 2004-03
<b>Bon voyage! Level 1, Writing Activities Workbook</b> -McGraw-Hill 2001-07-20 Student Writing Activities Workbook
<b>Revived</b> -Cat Patrick 2012-05-01 It started with a bus crash. Daisy Appleby was a little girl when it happened, and she barely remembers the accident or being brought back to life. At that moment, though, she became one of the first subjects in a covert government program that tests a drug called Revive. Now fifteen, Daisy has died and been Revived five times. Each death means a new name, a new city, a new identity. The only constant in Daisy's life is constant change. Then Daisy meets Matt and Audrey McKean, charismatic siblings who quickly become her first real friends. But if she's ever to have a normal life, Daisy must escape from an experiment that's much larger--and more sinister--than she ever imagined. From its striking first chapter to its emotionally charged ending, Cat Patrick's Revived is a riveting story about what happens when life and death collide.
<b>Wilson's Lantern Journeys</b> -Edward Livingston Wilson 1880
<b>T'es Branché? Level 2</b> -Toni Theisen 2014 "This is a program that focuses on all 3 modes of communication (interpersonal, persentational, interpretive) and was designed with the Common Core State Standards (CCSS) in mind."-- Amazon/Publisher.
<b>Bien Dit!</b> -John DeMado 2007-02-28
<b>Ghostbuster's Daughter</b> -Violet Ramis Stiel 2018-06-05 From the daughter of comedy legend Harold Ramis (and featuring a Foreword by Seth Rogen) comes a hilarious and heartwarming account of his life, work, and legacy. Most of us know Harold Ramis as the writer, director, and actor who brought warmth and humor to the big screen in classics like Animal House, Caddyshack, Ghostbusters, National Lampoon's Vacation, and Groundhog Day. To his daughter, Violet, he was best known as an amazing father, confidant, and friend. In Ghostbuster's Daughter, Violet reflects on the life and legacy of her father, providing readers with an extraordinarily candid and insightful look into the man who helped shape modern American comedy. Funny, endearing, and vulnerable, Ghostbuster's Daughter takes readers into the private life of the American comedy icon, from his humble roots in Chicago and ascension into Hollywood stardom to his personal philosophies on life, love, and filmmaking. While the book offers a comprehensive history of her father's career, Ghostbuster's Daughter also provides a profound homage to their special father-daughter relationship. Violet weaves anecdotes about her father's unique and devoted parenting style among stories of her own unconventional upbringing, creating a vivid and dynamic portrait of the man behind the movies. A distinctly offbeat memoir as well as a charming family story for the ages, Ghostbuster's Daughter is an intimate look at one of America's preeminent comedy filmmakers.
<b>Narkomania</b> -Jennifer J. Carroll 2019-06-15 Against the backdrop of a post-Soviet state set aflame by geopolitical conflict and violent revolution, Narkomania considers whether substance use disorders are everywhere the same and whether our responses to drug use presuppose what kind of people those who use drugs really are. Jennifer J. Carroll's ethnography is a story about public health and international efforts to quell the spread of HIV. Carroll focuses on Ukraine where the prevalence of HIV among people who use drugs is higher than in parts of sub-Saharan Africa and unpacks the arguments and myths surrounding medication-assisted treatment (MAT) in Ukraine. What she presents in Narkomania forces us to question drug policy, its uses, and its effects on "normal" citizens. Carroll uses her findings to explore what people who use drugs can teach us about the contemporary societies emerging in post-Soviet space. With examples of how MAT has been politicized, how drug use has been tied to ideas of "good" citizenship, and how vigilantism towards people who use drugs has occurred, Narkomania details the cultural and historical backstory of the situation in Ukraine. Carroll reveals how global efforts supporting MAT in Ukraine allow the ideas surrounding MAT, drug use, and HIV to resonate more broadly into international politics and echo into the heart of the Ukrainian public.
<b>Vocabulary Workshop</b> -Jerome Shostak 2002
