The Craving-Donna Grant 2020-12-07 "Donna Grant understands the Scottish Heart and shows it once again in this delightful first book of her Rogues of Scotland Series." ~ Tea and Book Reviews A QUEST FOR HAPPINESS Resigned to a lonely life after a fierce betrayal of the man who broke her spirit, Meg Alpin retreats to her family's castle. In her pursuit to move on with her life, she uncovers long buried secrets and discovers something magical amidst the furniture in the tower. In one instant, her dull world is given bright new meaning in the form of a Highlander too magnificent, too handsome to be real. A DESIRE FOR FREEDOM Cursed and caged in a mirror by a gypsy, Ronan Galt's existence is complete darkness and unquenchable need. When he's brought back into the light, his distrust of women is at odds with his instant attraction to the beautiful and strong Meg. In his quest to be free of his prison, he will learn the true meaning of love - but will it be too late to claim the woman that was destined to be his?

Teen Health Course 1, Student Edition-McGraw-Hill Education 2002-03-28 Teen Health is the integrated, activities-based health program written especially for middle school students. This sequential, three-course program provides the perfect combination of course material and interactive multimedia resources. Teen Health helps students understand that good health affects their school performance, their friendships, their looks, and their lives. In middle school, life changes quickly. There's more freedom and more peer pressure. Students might be faced with life-changing decisions when they least expect it. That's one reason why mastering good health skills is so essential during the teen years. Teen Health stretches far beyond traditional health topics to cover the subjects your students really want to know about. It explains the importance of avoiding risky behaviors and provides step-by-step guidelines on how to do so. Course 1 Student Modules . Adolescence: Growing and Changing . Building Character . Conflict Resolution

Teaching Translation from Spanish to English-Allison Beeby Lonsdale 1996 While many professional translators believe the ability to translate is a gift that one either has or does not have, Allison Beeby Lonsdale questions this view. In her innovative book, she demonstrates how teachers can guide their students by showing them how insights from communication theory, discourse analysis, pragmatics, and semiotics illuminate the translation process. Challenging long-held assumptions, she establishes a fascinating framework on which to base the structure of a professional prose-translation class. Her original contributions to the question of directionality and to the specific strategies of translating are applicable to not only the teaching of translation from Spanish to English, but to other teaching situations and to other pairs of languages as well. She also reviews the latest attempts in translation theory to define and contextualize ideal translator competence, student translator competence, and general translation strategies. Beeby Lonsdale completes her book by applying her conclusions to selecting and organizing the content of teaching translation from Spanish to English. She illustrates one or more of the basic translation principles through 29 teaching units, which are prefaced by objectives, tasks, and commentaries for the teacher, and through 48 task sheets, which show how to present the material to students.

Mr Wigg-Inga Simpson 2013-06-25 Mr Wigg captivates to the end' - Good Reading Magazine It's the summer of 1971, not far from the stone-fruit capital of New South Wales, where Mr Wigg lives on what is left of his family farm. Mrs Wigg has been gone a few years now and he thinks about her every day. He misses his daughter, too, and wonders when he'll see her again. He spends his time working in the orchard, cooking and preserving his produce and, when it's on, watching the cricket. It's a full life. Things are changing though, with Australia and England playing a one-day match, and his new neighbours planting grapes for wine. His son is on at him to move into town but Mr Wigg has his fruit trees and his chooks to look after. His grandchildren visit often: to cook, eat and hear his stories. And there's a special project he has to finish ... It's a lot of work for an old man with shaking hands, but he'll give it a go, as he always has. 'beautiful and absorbing' - Sydney Morning Herald 'resonantly powerful at every bite...Just beautiful' - Australian Women's Weekly 'Beautifully crafted and brimming with warmth' - Who Weekly 'that warm feeling ... of what is right and good about the world overwhelmed me on closing this book' - Australian Books & Publisher
