**The Secret Rescue**-Cate Lineberry 2013-05-07 The "exciting" true story of a downed cargo plane and a group of stranded U.S. Army medical personnel fighting to survive in Nazi-occupied Albania (The Bowling Green Daily News). A Wall Street Journal Bestseller An Edgar Award Finalist and Anthony Award Finalist for Best Critical or Non-Fiction Work When twenty-six Army nurses and medics—part of the 807th Medical Air Evacuation Transport Squadron—boarded a cargo plane for transport in November 1943, they never anticipated the crash landing in Nazi-occupied Albania that would lead to a months-long struggle for survival. In a drama that captured the attention of the American public, the group and its flight crew dodged bullets and battled blinding winter storms as they climbed mountains and fought to stay alive, aided by courageous villagers who risked death at Nazi hands to help them. A mesmerizing tale of the heroism of ordinary people, The Secret Rescue tells a story of endurance kept secret for decades, and of the daring rescue attempts by clandestine American and British organizations amid the tumultuous landscape of the war. "Combines all of the elements that draw us to WWII stories: the daring of The Guns of Navarone, the suspense of The Great Escape, and the bravery reminiscent of Ill Met by Moonlight. It's the inclusion of so many women, though, that makes this story unique." —The Daily Beast "An amazing WWII survival-and-rescue story." —Booklist

**Ditched by Dr. Right**-Elizabeth Warner 2008-12-18 In witty slice-of-life vignettes and laugh-out-loud cultural riffs, Elizabeth Warner shares her divinely demented view of the world. Raised by a mild-mannered psychiatrist father and a slightly off-kilter mother, Warner opted out of the life that awaited the youth of WASP heaven (aka Philadelphia's Main Line)-that is, to be "typically weaned, whelped, and privately schooled, whereupon you move on to the roost-and-spawn phase." Yet no matter how far afield she ventures-to New York to become a master junk-mail marketer or to L.A. to do a little acting-Warner can't help but feel that sometimes she's getting nowhere fast on "some kind of Protestant monorail to doom." Whether she's spelling out the invisible word "help" on a guy's shoulder blades during unfulfilling sex, getting out of jury duty by smearing herself with soy sauce, or convincing her mother that the words "career girl" are not her death knell, Warner proves that sometimes it doesn't matter where you go in life-just as long as you've got a killer punch line.

**Jesus and the Samurai**-Michael Zomber 2009-11-05 By 250 AD, Christianity had spread throughout India and China. Known as the Shining Religion or the Luminous Teaching, it drew adherents from Buddhism and Hinduism who were seeking a faith that taught the possibility of achieving a society founded on love and compassion for their fellow man. The new doctrine reached the island nation of Japan where it was so well received that Christianity threatened to supplant Buddhism as the dominant religion. By the close of the 16th century Japanese Christians numbered in the millions. Fifty years later Christianity was officially proscribed and Christians faced execution for openly practicing their faith. Jesus and the Samurai tells their fascinating story with facts drawn from ancient and modern sources.

**House of Reeds**-Thomas Harlan 2007-04-01 In five short centuries, the mighty Empire of the Méxica, descendants of the ancient Aztecs allied with Imperial Japan, has spread out to conquer the Earth, left the homeworld, and set its sights on the stars. But the universe is a dangerous place, filled with hidden powers and the relics of ancient civilizations. The Méxica are only the latest of the great Imperial powers to reach for the stars. But that doesn't stop Imperial Méxica from claiming control. Xenoaarcheologist Gretchen Anderssen had hoped to enjoy her well-earned vacation. She hadn't seen her home-world or her children for many months. But the Company has other plans for her - when she checks in for her transport, she finds new orders for her team. It looks like only a small diversion - a quick trip to the Planet Jagen, to investigate reports of a possible First Sun artifact. She doesn't have to run an excavation, or even gain possession of

the artifact. Just file a report. But it smells bad, says Gretchen's Hesht companion, Magdalena. David Parker, the Company pilot assigned to Anderssen's analysis team agrees. And they are so right. Gretchen, Magdalena, and Parker find themselves in very dangerous territory indeed. Because, unbeknownst to anyone at the Company, the Imperial Mexican Priesthood has decided to wage a war on Jagan - a war not of conquest or defense, but a "flowery war", planned and fomented for the purpose of bleeding the Emperor's youngest son. Gretchen and her team are headed right into the middle of the battle. It may be a War of Flowers, but many people will die, and blood will flow in the streets. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

**Five Meters of Time**- 2020-05-10 What happens if the world unexpectedly stands still for a moment? If, just like that, you are given a bit of time by sheer luck? This is exactly what happens in one of the biggest and busiest cities of the world, as a small snail crosses the street and makes traffic stop for half a day. A book about things that you always wanted to do but never had the time for. Reviews "charming"-Kirkus Reviews "A proposal to improve the world"-Westfälische Nachrichten "humorous"-Ehrensens "interesting not just in its story or its message, but also in how it delivers that message. The colors and backgrounds have a rich sense of texture, unlike the majority of

children's books."-ForeWord Clarion Reviews "fabulous"-Spiegel Online "A creative bedtime story, which is also suitable for stressed adults. [...] In the bustle of the city, the animals seize the moment and become aware of how beautiful life can be without stress and hustle."-Designers in Action "sets out to demonstrate what can happen when we're true to ourselves, when we seize our day, when we live in the present, when we actually feel and enjoy the weather, when we are spontaneous, when we break from routine, when we defy expectation, and how these rather small acts of joy can inspire others"-Amazon.com Customer Review "beautiful"-Geizkragen "The story of a little snail who triggers big changes."-Münstersche Zeitung

**The Taste of Night**-Vicki Pettersson 2009-10-13 Equal parts Light and Shadow, Joanna Archer must fulfill a destiny she never wanted. Once a photographer and heiress to a casino fortune, she is now dedicated to the cause of good . . . but susceptible to the seductions of evil. A deadly virus is descending on Las Vegas—a terrifying plague unleashed by the powerful overlord of Zodiac's dark side: Joanna's father. Chaos and panic grip Sin City as agents of Light fall prey to the terrifying epidemic. Death reigns supreme—and Joanna stands at dead center of an epic and terrible war long foretold, the last hope of a damned world. But first she must somehow conquer the malevolence that grows all around her . . . and within.

**American Savior**-Roland Merullo 2008-08-26 What if Jesus suddenly appeared and announced that he planned to run for President of the United States? Yes, that Jesus. And what if a well-meaning but utterly inexperienced band of disciples not only helped him mount a seat-of-the-pants campaign but also ran it well, getting millions of people to support him and in the process throwing the other two major party candidates—as well as the world's news media—into a frenzy as they scramble to discredit him? Roland Merullo's bitingly clever satirical novel about the state of American politics follows one man's campaign to bring back goodness and kindness (real goodness and kindness this time) in a country that has fallen into a divisive state of fear and hatred. Merullo takes us into the heart of "a nation in grave spiritual danger" as the Son of man sets out to make everyone realize that "politics as usual" is no longer an acceptable alternative. American Savior is a remarkably innovative novel that challenges our perceptions and beliefs while it wags a finger at the folly of our self-righteousness. It is sure to cause controversy among those for whom politics itself has become a kind of religion.
