Life Interrupted-Priscilla Shirer 2011-03-01 From telemarketers to traffic jams to twenty-item shoppers in the

ten-item line, our lives are full of interruptions. They're often aggravating, sometimes infuriating, and can make us want to tell people what we really think about them. But they also tell us something quite important about ourselves. The prophet Jonah's life was interrupted by a clear call of God that made him mad enough and scared enough to run in the completely opposite direction. Yet it wasn't really an interruption. It was an opportunity for Jonah to be involved in something the

likes of which the Old Testament world had never seen: national revival in a Gentile country. What if Jonah had seen God's interruption for what it truly was—a divine intervention that held more adventure and possibility than any other thing he could have been doing at the time? What could have felt any better than being directly in the center of God's will? Yet we play it that same way—always running from major pains and minor problems that just don't seem to suit us at the time. Who knows what we're missing by being so interruption avoidant? In this very personal account of opportunities lost and lessons learned, popular conference speaker and author Priscilla Shirer shows how to embrace the amazing freedom and fulfillment that comes from going with God, even when He's going against your grain.

One in a Million-Priscilla Shirer 2010-03-01
The Egyptians in Exodus 1 were intent on enslaving the Israelites, wearing them down so that God's chosen people would become disillusioned and not live up to their destiny. Of the original two million Israelites who received God's invitation to enter the Promised Land, only two actually entered it! Similarly, modern day Christians often hear and understand the promises of God each Sunday morning at church but then rarely choose to experience them in everyday life. In *One in a Million*, Bible teacher Priscilla Shirer invites us to change that pattern for good, living beyond our circumstances and expecting to see God move in miraculous ways day after day. Without a doubt, we can find and follow God's purpose for our journey. We can make it to the Promised Land!

Fervent-Priscilla Shirer
2015-08-01 You have an enemy . . . and he's dead set on destroying all you hold dear and keeping you from experiencing abundant life in Christ. What's more, his approach to disrupting your life and discrediting your faith isn't general or generic, not a one-size-fits-all. It's specific. Personalized. Targeted. So this book is your chance to strike back. With prayer. With a weapon that really works.

Each chapter will guide you in crafting prayer strategies that hit the enemy where it hurts, letting him know you're on to him and that you won't back down. Because with every new strategy you build, you're turning the fiercest battles of life into precise strikes against him and his handiwork, each one infused with the power of God's Spirit. New York Times bestselling author Priscilla Shirer, widely known for her international speaking, teaching, and writing ministries, brings her new role from the 2015 film War Room into the real lives of today's women, addressing the topics that affect them most: renewing their passion, refocusing their identity, negotiating family strife, dealing with relentless regrets, navigating impossible schedules, succeeding against temptation, weathering their worst fears, uprooting bitterness, and more. Each chapter exposes the enemy's cruel, crafty intentions in all kinds of these areas, then equips and encourages you to write out your own personalized prayer strategies on tear-out sheets you can

post and pray over yourself and your loved ones on a regular basis. Fervent is a hands-on, knees-down, don't-give-up action guide to practical, purposeful praying.

Let it Go-T.D. Jakes

2012-03-01 With Let It Go Bishop Jakes shows us how we can lead an emotionally

vital and spiritually healthy life by learning how to forgive and be forgiven. 'Our inability to forgive past offenses robs us of joy, peace, and purpose, poisoning our souls with lethal toxins that drain every area of our life. Just as seemingly harmless, carefree moments spent basking in sunshine can lead to the development of a malignant melanoma, the grudges we harbour can metastasize into a cancer on our souls, eating away at our strength, happiness, and productivity. "If we want to experience a life filled with peace, productivity, and power, then we must practice the art of forgiveness. In order to practice forgiveness, we must learn new styles of conflict resolution and new forms of anger management. Aware of God's amazing grace, we can now ask him to forgive us as we forgive those who trespass against us. We can love others out of an awareness of how we ourselves have been forgiven by God and loved unconditionally as his child.' Chapter titles include: Cancer of the Soul, Offenses Do Come, Where Did This Come From?, Silence Doesn't Mean

In 2 Corinthians 10, we are reminded of the spiritual attacks on our minds and given divine weapons for the battle. When we allow God's word to guide our thoughts and beliefs, everything changes. We can evict old thinking and experience new life. It's time to take captive every thought through the power of Christ Jesus. She's Still There-Chrystal Evans Hurst 2017-08-08 What's a woman to do if her life is not taking shape the way that she thought that it would? What happens when she looks at herself in the mirror, lingering just a little longer than usual and realizes that she no longer recognizes the person staring back at her? What does she do when she sees that, somehow, her life has drifted away from all her original hopes, dreams, or plans? Speaker, blogger and writer Chrystal Evans Hurst wrote this book because she was that woman. One day she realized that she had somehow wandered away from the life that she had

purposed to live a long time ago. Chrystal since discovered that this moment of awareness happens to lots of women at different seasons of their lives. Poor decisions, a lack of intentionality or planning, or a long-term denial of deep hopes and dreams can leave a woman, old or young, reeling from the realization that she is lost, disappointed, or simply numb. And she just needs encouragement. This woman simply needs someone to hold her hand, to cheer her on, and to believe with her that she is capable of still being the person she intended to be or discovering the girl she never knew was there in the first place. Chrystal uses her poignant story of an early and unexpected pregnancy, as well as other raw and vulnerable moments in her life, to let readers know she understands what it's like to try and find your way after some missteps or decisions you didn't plan on. In *She's Still There* Chrystal emphasizes the importance of the personal process and the beauty of that path as it is shared authentically from one girlfriend to another. It's a

book of "me toos", reminders of the hoped for, and challenges for the path ahead - to find direction, purpose, and true satisfaction.

Kingdom Woman-Tony Evans 2013-07-16 A kingdom woman gives the devil as much reason to fear as a kingdom man. She lives confidently in the knowledge that Christ died and rose for her so that she can experience the significance of the destiny to which she has been called. In *Kingdom Woman*, Tony Evans and his daughter, Chrystal Evans Hurst, remind women of their calling from God to be free, delivered, healed, and hopeful. The authors bring insight that encourages women to correct distorted perceptions and understand who they really are in Christ—never settling for less when connected with the One who gives them hope. All believers are covered by God's covenant with Abraham. Evans and Hurst want women to know these rights and confidently claim and live by them. The new covenant offers more than a
