Goetia Pathworking-Corwin Hargrove 2019-05-15 Magick is easier and safer than many people believe, and pathworking is a method that takes you to the essence of power. There are many ways of working with demons. The spirits of Goetia can bring knowledge, manipulate reality, produce changes within yourself, or attract conditions and events that you desire. This is widely known. Demons are famed for their speed, dignity, and willingness to cooperate with you. What is less well known is that incredibly simple pathworking rituals enable you to make easy contact with these demons safely and reliably. Advantages of The Pathworking Method - No difficult words of power to learn or speak. - Nothing to burn, collect, or make. - No sacrifice, reward, or offering is required. - No sigils need to be drawn, and you only need to look at the sigils in this book. - No angels or divine names are used, which makes the magick feel more reliable for some people. - The method automatically creates the correct state of mind and summons elemental energy. - Pathworking can be performed in complete privacy. - The method is extremely safe and easy to learn. You ask for something, and you get it, without any backlash or payment.You will never have to learn difficult visualisation methods or train in demanding mental techniques. Based on a system of Elemental Imagery, this is a unique way to perform magick. You ask for something, and you get it, without any repercussion or payment. People say you never get something for nothing. Here, you get something because you've performed magick and filled it with your desire. That is enough to get the results you seek, from love and lust, to cursing, influence, illusion, and wealth.

The Book of Treasure Spirits-Elias Ashmole 2009 THE BOOK OF TREASURE SPIRITS Conjurations of Goetic spirits, old gods, demons and fairies are all part of a rich heritage of the magical search for treasure trove. During the Middle Ages and Renaissance the British Monarchy gave out licenses to people seeking treasure in an effort to control such practices, and this is one reason why so many grimoires are full of conjurations and charms to help the magician find treasure. Published here for the first time, from a long-ignored mid-seventeenth century manuscript in the British Library (Sloane MS 3824), is the conjuration said to have been performed at the request of King Edward IV, with other rites to reveal treasure, to have treasure brought from the sea, and to cause thieves to bring back stolen goods. Conjurations to call any type of spirit are also included, recorded by the noted alchemist and collector Elias Ashmole, as is an extract on conjuration practices from the Heptameron, transcribed into English for practical use by a working group of magicians, before its first English publication by Robert Turner in 1655. These conjurations demonstrate the influence of earlier classic grimoires and sources, with components drawn from the Goetia, the Heptameron, and Reginald Scot's Discoverie of Witchcraft. The material includes spirit contracts for Agares, Padiel and Vassago, as well as techniques like lead plates for binding, and summoning into a glass of water, which hark back to the defixiones of Hellenistic Greece and the demonic magic of the Biblical world. This material forms part of a corpus of conjurations all written in the same hand and style of evocation, linking Goetic spirits and treasure spirits with the archangels and planetary intelligences (in Sloane MS 3825), and demon kings and Enochian hierarchies (in Sloane MS 3821), making it a unique bridge of style and content between what are often falsely seen as diverse threads of Renaissance magic. About the Author David Rankine is an occult scholar and author of more than 20 books on the subject of magic, the western esoteric traditions, folklore and mythology. Since the 1970's he has been researching and exploring magical and spiritual practices throughout history; a journey which has taken him from ancient Sumeria, Babylonia and Egypt through Greece, Rome and Britain through the middle ages and renaissance and the modern Western Mystery Traditions. With Stephen Skinner he has produced works such as The Veritable Key of Solomon and the Goetia of Dr Rudá, both highly regarded groundbreaking works which make available previously unpublished source materials for the first time.

Demons of Magick-Gordon Winterfield 2017-05-26 Demonic magick can lead to a life of success, power and extraordinary peace. The beauty of demonic magick is that spiritual growth arises from material pleasure.Demons will demolish enemies, enrich bold ventures, satisfy material desires, and provide you with wisdom, charisma, healing and persuasive dignity. If these are works of darkness, they bring great light.Demons of Magick provides you with three rituals for working with the seventy-two demons of Goetia. The first ritual is a way to petition for a simple result. The second method is Connective Evocation, where you sense the presence of the demon, to obtain knowledge. The third method provides you with the instructions for a Full Evocation, with the demon brought to visible appearance.Each of the seventy-two demons is proficient in several areas, and all of their powers can be used alone or in combination. You have thousands of sophisticated powers at your disposal.Gordon Winterfield says, "My intent in creating this book has been to offer something genuinely original, and unobtainable elsewhere, based on the wisdom of experienced, practicing occultists. I have no interest in peddling the same weary methods that can be found elsewhere. It is therefore unavoidable that the contents of this book will challenge much of what has been said on the subject. The Sacred Magic Of Abramelin The Mage-S. L. MacGregor Mathers 2014-06-02 This remarkable grimoire was translated by S.L.M. Mathers from a 15th century French mauscript. This text has had a huge influence on modern ceremonial magic, and has been cited as a primary influence on Aleister Crowley. Abraham of Würzburg, a cabalist and scholar of magic, describes a quest for the secret teachings which culminated in Egypt, where he encountered the magician Abramelin, who taught him his system in detail. The procedure involves many months of purification, followed by the invocation of good and evil spirits to accomplish some very worldly goals, including acquisition of treasure and love, travel through the air and under water, and raising armies out of thin air. It also tells of raising the dead, transforming ones appearance, becoming invisible, and starting storms. The key to this is a set of remarkable magic squares, sigils consisting of mystical words

Lucifer and The Hidden Demons-Theodore Rose 2018-10-17 Where there was effort, there will be ease. Where there was fear, there will be control.Where there was lack, there will be wealth. If you fear evil, know that there is no evil in this grimoire other than the evil that you bring. Be at ease with your desires, and you will not falter. The practical magick in this book gives you powers that include influence and control, with magick for money, sex, passion, and seduction. There are powers of persuasion, charm, and trust, alongside those for healing, guidance, wisdom, and peace. The demons enable you to solve legal problems, finding justice and improving your willpower. You will discover protection, bindings, and ways to improve personal skills and creativity. For those who seek greater control, there is a sequence of corruption and cursing rituals and methods for causing disease and mental suffering. Other powers create illusion or concealment and even manipulate time and reality itself. Working with demons is safe when you accept that the demons do not need to be returned or controlled. A demon wants to fulfill its destiny by helping you obtain what you desire. When you get what you want, that is what the demon wants. This is the true harmony of magick. When you are clear about your desire, there is no risk in surrendering to the power of this magick. You are not selling your soul or making a pact with the devil, but connecting to a legion of consciousness that rewards desire, choice, and determination. Working as The Order of The Unveiled Faces we have performed magick with the powers of Lucifer and The Hidden Demons since 1955. Our intention is to clarify the mysteries and dispel the myths. For those who seek magick, we swear an oath to provide you only with the methods that we know to be true. We reveal the full details of our source materials so you can see how these demons were hidden, and how they were found. You will have the ability to work with hundreds of unique powers. Open your mind, and you will be granted the power to shape, guide, and transform your reality.

Grimoire of Tiamat-Asenath Mason 2014-12-01 Tiamat is the Primal Dragon Goddess, the first one, who gave birth to the gods of the universe," the Mother of Everything, the self-procreating womb, the source of all life and all manifestation. The work described in this book was inspired by the Babylonian epic known as the "Enuma Elish," one of the oldest Creation myths in the world. The Grimoire of Tiamat presents a complete system of magick based around the Mesopotamian primordial goddess Tiamat and the eleven demons she created to aid her in her fight against the new order of gods lead by Marduk. The book is divided into three sections: first, a lengthy introduction of the theme and cosmology, followed by individual workings for each of the eleven demon-gods, and then a concluding appendix of thematically related workings focusing directly on Tiamat and Kingu. The second section, The Children of Tiamat, presents ways of working with each of the eleven demon-gods, prefaced with an explanation of the techniques that follow and the use of the Key of Night, a master sigil that is employed throughout the workings as a way to access the Nightside. The final section of The Grimoire of Tiamat is an appendix that returns the focus to Tiamat as it takes the form of a guided meditation within the waters of Tiamat, a ritual for two participants invoking Tiamat and Kingu, a rite of malefica, and a discussion of the underworld in Mesopotamian belief, followed by a chthonic guided path working.

Sexual Alchemy-Donald Tyson 2000 Chances are that you've heard of Tantra and Taoist sexual practices. Now, as a result of studying the inner mysteries of alchemy, Donald Tyson presents a Western system of sacred sexuality in Sexual Alchemy. Here you will learn how to have erotic relationships with loving spirits. That means the methods presented here can function as a Western alternative to Eastern sexual practices. They also can be used by a solitary person and need not depend upon the participation of a partner. The first part of this book presents a history of sex with spirits. It also goes into the secrets of Eastern internal alchemy and how the books of Western alchemy often made secretive references to sexual magick. You will also learn how to create a physical representation of the spirit you are going to use as a partner. The second part of the book includes the practices and techniques which the author found to be effective from other sources or developed himself. This includes techniques of diet, exercise, breathwork, banishings, purifications, and finally, an invocation ritual to summon the spirit who is going to be your lover! Then you will learn the previously hidden secrets of having sex with a spirit lover. You'll learn how to prepare and recognize the signs that this is an actual occurrence and not simply a fantasy. And then, when you have accomplished your ritualized mating, you will learn how to collect and use the resulting, highly charged fluids for magical purposes. Everything we are, everything we have, is gift from the Divine. Doesn't it make sense that we use all of our abilities to honor the source from which they come? That means we can even make use of our sensual natures to honor the Gods. If you want to follow a system based on western traditions, this book can be your guide.

Each month, the numbers change but they never improve. Magical and spiritual discourse has failed to keep up with this new reality. The Chaos Protocols aims to fix that. Join Gordon White as he shows you how to use chaos magic not only to navigate these trying times, but to triumph as well. Discover how to become invincible through initiation, and wage the mind war that will keep you moving toward what you really want. From sigil magic to working with spiritual allies, The Chaos Protocols helps you act on the unwavering belief that your life should matter and you're not going to let something as trifling as the apocalypse get in the way of it. Praise: "Gordon White gives a master class on the hard economic realities and the kind of low down and dirty magic for which he has become famous. Pragmatic, sharp, and funny, The Chaos Protocols is a treasure of a book."—Peter Grey, author of Apocalyptic Witchcraft "Take two parts Magick Without Tears, a measure of The Wealth of Nations, a pinch of Ian Fleming and a dash of Noel Coward and you have this almost promiscuously readable text. Whoever said books on magick can't be fabulously entertaining as well as eminently practical has obviously not read up on their Gordon White. Remedy that situation."—Chris Knowles, author of The Secret History of Rock n' Roll and Our Gods Wear Spandex

Backwoods Witchcraft-Jake Richards 2019-06-01 In Backwoods Witchcraft, Jake Richards offers up a folksy stew of family stories, lore, omens, rituals, and conjure crafts that he learned from his great-grandmother, his grandmother, and his grandfather, a Baptist minister who Jake remembers could "rid someone of a fever with an egg or stop up the blood in a wound." The witchcraft practiced in Appalachia is very much a folk magic of place, a tradition that honors the seen and unseen beings that inhabit the land as well as the soil, roots, and plant life. The materials and tools used in Appalachia witchcraft are readily available from the land. This "grounded approach" will be of keen interest to witches and conjure folk regardless of where they live. Readers will be guided in how to build relationships with the spirits and other beings that dwell around them and how to use the materials and tools that are readily available on the land where one lives. This book also provides instructions on how to create a working space and altar and make conjure oils and powders. A wide array of tried-and-true formulas are also offered for creating wealth, protecting one from gossip, spiritual cleansing, and more.

Angel Tarot-Travis McHenry 2020-04 The Angel Tarot is nothing like a traditional deck of angel cards. The 72 angels of the Kabbalah (or Shem HaMephorash) are extremely powerful heavenly beings that provide assistance to mortals while also ruling over their hellish counterparts, the 72 demons of the Goetia. When summoning an angel, their sigil (a kind of esoteric calling card) is supposed to be drawn on a piece of pure virgin parchment in red ink. To echo this color palette, the cards are made to look like fresh, pure parchment. The borders of each card are deep crimson, which creates a striking contrast. The magical symbols are real. The artwork is hauntingly divine. These aren't your Aunt Doreen's angel cards . . .
