Teaching English as a Foreign Language-

Carola Surkamp 2018-03-24 Diese Einführung in englischer Sprache präsentiert in 14 Kapiteln die grundlegenden Themen und Gegenstandsbereiche der Englischdidaktik. Gleichermaßen praxisnah wie theoretisch fundiert, behandelt der Band zentrale Prinzipien und Kompetenzbereiche eines modernen Fremdsprachenunterrichts. Ausgehend von den zentralen Akteur/innen (Lehrende und Lernende) und mit Blick auf die Teilbereiche der Sprach-, Literatur- und Kulturdidaktik werden zudem Vorschläge für den Einsatz unterschiedlicher Materialien und Medien diskutiert. Weitere Kapitel widmen sich den institutionellen Organisationsstrukturen und dem Bereich Assessment/Diagnose. Der Band erscheint in zweifarbiger Gestaltung, mit Definitionen und Beispielen sowie mit zahlreichen Abbildungen. This comprehensive introduction presents the fundamental topics and issues of TEFL (Teaching English as a Foreign Language) in 14 chapters. Integrating both profound theoretical and creative practical considerations, the central principles and competence domains of modern foreign language teaching are discussed. Starting with the main classroom agents (teachers and learners), the chapters outline a variety of content areas (language, literature, cultural issues) and thoroughly review materials, media and methods. Additional chapters are concerned with the historical development of English language teaching, its current institutional organisation as well as assessment and evaluation.

Tiny Talk: Songbook-Carolyn Graham
1999-06-10 The Songbook provides the words and music for all 60 songs and chants from the Tiny Talk series. It can be used in conjunction with the series, or alongside any kindergarten material. The songs and chants have been specially written for 3-6 year olds by world-famous songwriter Carolyn Graham. Charming illustrations set the context and bring the songs to life for young children. Melody lines and guitar chords in the Songbook enable teachers to play their own instruments in the classroom. Spiral binding allows the book to lie flat on a piano or music stand, freeing the teacher's hands for playing an instrument or using the Tiny Talk puppets. A section of suggested activities for each song is provided at the back of the book. The songs are presented by level with an alphabetical index for easy reference. The accompanying Cassettes/CDs feature two versions of each song: first a model with voices and music, followed by a karaoke (music only) version. The Cassettes are available in American and British English versions. The CDs are available in American English only.
